Project Reports:

Food and Nutrition

Stirrups will be held February 6, 2016. Sign-ups are due January 29, 2016.

Grand Foods will be held February 27, 2016. Sign-ups are due January 19, 2016.

Woodworking

No workshops have been scheduled yet but will start soon. If kids have any questions, Dave Swanson is available by phone.

Photography

Workshops start in February and will be trying to host 5-6 workshops this year. Watch the newsletter for more information once dates can be scheduled.

Sewing

Workshops will be scheduled and put in the newsletter once dates are identified.

Cloverbuds

Looking for someone to take over this project area. If anyone knows of any volunteers please contact Dora. Need ideas for projects that fit the Cloverbud age group. If you have any fun ideas, please let Dora know.

Teen Leader

The teen leaders made tie blankets and donated them to Shodair. If anyone likes to do these types of projects, please inquire as Shodair is always in needs of blankets and other supplies.

Wyatt Roberts volunteered to help with some of the indoor projects such as entomology, forestry, wildlife and outdoor adventures.

The committee reviewed the upcoming events such as Stirrups, Grand Foods, Fashion Revue, Photography event, demonstration day etc....

The Indoor High Point Award rules were reviewed and we deemed satisfactory. These will be published on the website so the kids will know what is expected for them to compete for Indoor High Point awards.

Having a project day was discussed. Many ideas were brought to the table. This item will be discussed further at the next meeting.

Next meeting will be held in April.

Meeting Adjourned.
